

## CREATE YOUR OWN COMIC STRIP

Take Jonnie on an amazing adventure of your own. Jonnie is heading out on a bicycle ride, but where will his bicycle take him this time?

A comic strip is a series of images that tell a story. Each 'still' moves the story along and includes speech bubbles and short text boxes.

Use one of the comic strip templates provided to draw & write your own Jonnie Rocket adventure story. Try to:

- a) Include a beginning, middle and end to your story
- b) Introduce 3 new characters
- c) Keep Jonnie's character the same - remember that Jonnie is never violent.
